The conference topics include the following thematic sections:

### Innovative Educational Technologies, Tools and Methods for E-Learning

- Educational Technologies for e-learning
- Modern ICT Tools for e-learning – review, implementation, opportunities for effectiveness learning and teaching
- Innovative Methods for e-learning – theoretical and practical aspects of using
- MOOC – methodology of designing, conducting, implementation and evaluation
- Artificial intelligence (AI), augmented reality (AR), virtual reality (VR)
- Selection of hardware and software for 3.0 technology
- LMS, CMS, VSC, SSA, CSA
- Cloud computing environment, social media, multimedia resources, interactive virtual and mobile learning
- Simulations, models in e-learning and distance learning
- Networking, distance learning systems
- Multilingual e-learning

### E-learning and Internationalisation in higher education, E-environment and Cyberspace

- Contemporary trends in world education – globalization, internationalisation, global education
- Legal, social, human, scientific, technical aspects of distance learning and e-learning in different countries
- European and national standards of e-learning quality evaluation
- Psychological and ethical aspects of distance learning and e-learning in different
- Collaborative learning in e-learning
- Environment of the University
- SMART Universities. SMART Technology in education
- E-learning in a sustainable society
- Comparative approach

### E-learning and STEM Education

- Robots and Coding in education
- Immersive learning environments. Blockchain. Bots
- Internet of things. 3D printing
- STEM education: contemporary trends and challenges
- Successful examples of e-learning
- Distance learning in humanities and science
- Quality Assurance of E-learning
- Evaluation of synchronous and asynchronous teaching and learning, methodology and good examples

### Development of Key and Soft Competences and E-learning

- Effective development of teachers' digital skills
- Key competences and soft skills in the digital society
- Use of e-learning in improving the level of students' digital competences
- E-learning for humanities and social science
- E-learning for science and technologies
- E-Learning and Lifelong Learning
- Self-learning based on Internet technology
The official language of the conference is English.

**Dissemination of conference proceedings**
Conference materials and authors’ papers will be reviewed and published in a monograph entitled **Innovative Educational Technologies, Tools and Methods for E-learning** (issued in ISBN catalogue).

The E-Learning Series is indexed in the international scientific bibliometric databases, in particular, in:
- Academic Research Index https://www.researchbib.com
- Polska Bibliografia Naukowa https://pbn.nauka.gov.pl

International Journal of Research in E-learning (20 points)
https://www.journals.us.edu.pl/index.php/ijrel
Peer-reviewed journal, ISSN 2451-2583 (print edition), ISSN 2543-6155 (digital edition).

**UREL** is indexed in the international scientific bibliometric databases, in particular, in:
- ICI Journals Master List – Index Copernicus (ICV – 97.08 (2017))
- The Central and Eastern European Online Library CEEOL
- Academic Research Index https://www.researchbib.com
- Polska Bibliografia Naukowa https://pbn.nauka.gov.pl
- ERIH PLUS
- Google Scholar
- JOURNALCTOR
- CEJSJ
- Badzium
- Journal Citation
- CILM
- MIAR
- OAII
- EDU

**Contact:**
If you have any queries regarding the conference, please contact:
dcc@us.edu.pl; www.dcc@us.edu.pl
- Dr hab. Eugenia Smyrnova-Trybulska, associate prof. – e-mail: eugenia.smyrnova-trybulska@us.edu.pl

Dr hab. Anna Porczynska
– e-mail: anna.porczynska@us.edu.pl

Dr hab. Dominika Zegzuła
– e-mail: zegzula.d@vp.pl

Conference registration fees options:
- Participation in the conference (online) with certification
- Publication in:
  - the 12 vol of the Elearning series monograph
  - Innovative Educational Technologies, Tools and Methods for E-Learning
- in:
  - International Journal of Research of E-learning
- Electronic book
Payment before 1st August 2020

- Print book
Extra charge

Individual registration of accommodation (cost with discount for participants of the DLCC2020 conference)

**The payments (conference fee) should be addressed:**
Univeristy Silesia
ul. Bankowa 12, 40-007 Katowice, Poland
ING BANK SŁASKI, Oddział w Katowicach
ul. Mickiewicza 3, 40-092 KATOWICE, Poland
Account number: 74-1050 1214 1000 007 0000 7909
For international transfers (SWIFT / BIC):
INGBPLPW
IBAN:
PL 74 1050 1214 1000 007 0000 7909
Purpose of Payment: “Conference DLCC2020”

**Important dates:**
1st October 2020 – sending out the detailed conference programme.

Conference will be held online in videconference mode. Address of virtual rooms for conference sessions will be available 1st October 2020.
